

Judging

All entries will be judged by industry leaders including faculty from Harvard and Stanford University. Each entry will be assigned a point value out of 20 and will be evaluated based on the following 5 categories:

Design for Change - USA					
Judging Rubric					
Scoring	1 Point	2 Points	3 Points	4 Points	Your Score
Categories	Novice Change Agents	Intermediate Change Agents	Advanced Change Agents	Master Change Agents	
Boldness of idea - looking at an existing problem with a fresh perspective	Commonly done in other places, but effective and helpful	Done in only a few other places	Not done before-but looks like common sense	Not done before-and considered revolutionary	
Number of people impacted	Immediate community	Adjacent neighborhoods	My city	My state	
Potential for long lasting change	None	Good	Great	Guaranteed	
How easy is the idea to replicate	One time project	Can be done elsewhere with minor changes	Works everywhere without changes	Works everywhere without changes and will spread like a virus through existing networks	
How green is the idea	Neutral to the environment	Has a positive impact	Will clean up the environment in a major way	Positive impact to the environment and will change the lives of people
